GET WELL FRANK

The last time we saw Frank Pagano he was flat on his back recovering from an operation. He told us he was too mean to die so he was sure he would be up and would take us on "Indian rassle" style in a few days. We sure hope so, Frank, get well quick.

GENTLEMAN: A guy who does not blow his knows.

TWO REMINDERS

First, all chapters should be reminded that it is nearing time to send in chapter recommendations for the new slate of officers to be voted on at the Annual Membership Meeting in June.

These recommended slates should be sent to John Tipton, 507 Lakemont South, Winter Park, Florida. Mr. Tipton will compile all these reports and report to the committee at the Annual Meeting. Each chapter should have a representative on this committee. When the representative is appointed please advise the committee chairman, Mr. Tipton, so he will have his records complete.

Second, those who wish to donate plants for the annual plant raffle please let the executive secretary know how many and whether plants will be brought to the meeting or if certificates are preferred.

There are two things planned in connection with the raffle at this Annual Meeting that is a little different. The plants will be used as part of a stage decoration and the plants will not be raffled all at one time. At each meeting a few names will be drawn so that there won't be such a long and drawn out drawing at the noon luncheon.

We also ask that all plants brought to be tagged with the name of the variety and the donor.

As you can no doubt see by the way the "o" is a wee bit raised in relation to the other letters that our typewriter needs a service job.
